Persons 2 years & over - Proportion of dietary energy from free sugars by Indigenous status(a), 2011-13

What is Food Tourism?

- The desire to experience a particular type of food or the products of a specific region...
 - A form of regional development that helps strengthen local food and beverage production through backward linkages in tourism supply-chain partnerships
 - Provides new opportunities to promote and distribute local products while providing an enhanced visitor experience through the expression of community identity and cultural distinctiveness
